1-2-73

Varner Well & Pump Co.

I have examined the cuttings
from the Marion City well No. 5
and have found the formation tops
to be as follows:

St. Peter 1085'

Prairie du Chien 1128'

and published by the Geological Survey
USC&GS, and Iowa Geodetic Survey
stereographic methods from aerial
1955. Field checked

*field checked
locations 1978-79*
