

Started drilling (Thorpe Well Co.) June 1, 1959
 Finished Aug. 20, 1959

X.P.B.

GEOLOGICAL DATA			CASING DATA	WELL DATA	
Formation	Material and distance from surface in ft.	Series	Position, kind and extent of casing, liners, shoes, etc.	Scales: Horizontal _____ Vertical _____	Position of seals, screens, static level, etc.

On Dec. 1, 1959 placed seal at 995' - Test pumped at 240 g.p.m.
 On Dec. 8, 1959 placed seal at 850' - Test pumped at 140 g.p.m.
 New plan to seal well at 645' level and test for quantity and minerals
